KeyClub at Rogers High

SERVICE AT ROGERS HIGH SCHOOL

Rogers High's newly established Key Club recently had their members partner with Kiwanis of Newport. The event was held at the high school and student members were able to prepare birthday banners for the Confetti Foundation. Though just starting out, this club has already truly had a positive impact on local communities, most currently for their holiday Turkey giveaway event. Keep up all the amazing work and projects at Rogers in support of our local friends in need!
