Feed a Friend Food Drive

ONE UNIVERSITY UNITED

The Center for Community Engagement and Service will once again be conducting the annual holiday food donation drive up until November 18th at noon. Donations for the 2021 Feed a Friend Food Drive will be distributed to an array of community partners throughout Aquidneck and neighboring towns.

This is an amazing way that clubs, sports teams, or groups of students can pick a column of interest to them (see right) and try to gather as many items as they are able to under that grouping. If you prefer to donate snacks then the snack column is a chance for you to donate some of your favorite treats to someone in need. If you prefer to still donate traditional Thanksgiving ingredients then the second column is for you. If your group wants to chip in a few dollars and purchase a gift card for an organization to purchase the groceries themselves or prefer to donate some supplies that works too. Thanks!!

HELP SUPPORT THE 2021

Catherine's Corner

SHINING INTO FALL

Hello again everyone and welcome back to my little corner of this magazine. This week I would like to draw our focus and attention towards the beautiful season of Fall.

As the pumpkins and decor of the season start to make their way around campus, into our residence halls, and even study spaces it is evident that Salve is continuing to create a space of warmth and light for the entire Salve community to enjoy.

Community is a joyful aspect that I passed on to my fellow sisters back in Dublin. Today the sisters have continued to create warm and inviting spaces for poor and underprivileged members of our communities to gather. As my sisters have opened our doors for many people may we all reflect this week on how we can be "shining lamps giving light to all around us". It is through simple things like smiling at a friend across campus, holding the door for the next person behind you, cleaning your shared workspace or residence hall, helping a roommate with a project or studying for an upcoming exam/midterm, doing the dishes or laundry, giving your friend or teammate a ride to class or practice, or just by saying thank you to someone. Whether it be through the simplest acts or sometimes a more demanding task, do not fall weak but instead persevere forward.

As the spirit of Halloween quickly nears, let us see more light and excitement within our lives. Let the signs of the season help guide us to shine the bright light of peace to each other each day as we all work together towards creating a more harmonious, just, and merciful world for us all this fall!!

Fall for Lucy's Hearth

SIGNATURE FUNDRAISING EVENT

Join Aida Neary, Assistant Director for International Students and Exchange Partner Programs and FYT Instructor, as she hosts a virtual fundraising event in support of Lucy's Hearth. The Fall for Lucy's Hearth event will take place on Wednesday, November 10th beginning at 5:30pm. This annual event serves as the focal fundraising opportunity for philanthropists, government, as well as corporate leaders to be able to contribute to families in need of sustainable housing and living situations in Rhode Island. The goal of the fundraiser is to obtain sponsorships and funding to support the creation of such safe housing facilities for local families in hopes of minimizing the impact that housing issues are causing in many neighboring and local communities. For more information visit <https://www.lucyshearth.org/fall/> or...

**Scan this QR code to
register for the event or to
sponsor a donation today!**

Salve Serves Blog

Have you recently attended, or even hosted a service opportunity at Salve or on Aquidneck Island? If so, we want to highlight and share your service experience with the rest of the Salve community.

Please feel free to reach out to...
