Catherine's Corner

Catherine McAuley was an inspirational woman who was virtuous and courageous. She paved the path for women within the Catholic church proving that could be capable despite her gender. Catherine shows all of us the importance of giving back and working hard to be the change we want to see in our world.

Fun Fact about Catherine

In 1827, she fulfilled her dream of making a house for the poor and homeless. She called it "House of Mercy" in Dublin, Ireland.!
